# Somerset County Sheriff's Office

**Frank J. Provenzano**  
Sheriff

## Gang & Terrorism Unit

## **Gang & Terrorism Unit Mission Statement**

To gather information on gang members and to suppress gang activity in the Somerset County Jail as well as around Somerset County.

### **Dissemination of Information**

To disseminate information to local law enforcement agencies on gang members who were arrested or reside in their municipalities.

### **Education & Training**

Gang awareness training is a critical part of the Sheriff's Office fight against gangs. Through training, the Sheriff's Office can assist local law enforcement agencies as well as community groups and schools.

### **Project Clean Streets**

Through a combined effort with local municipalities, the Sheriff's Office will provide weekend inmates from the Somerset County Jail to remove graffiti. By doing so, this will greatly improve the areas as well as help the community with the fight against the gang tagging.

### **The Gang GIS Tracking System**

The GIS system was designed to help law enforcement locate and pinpoint problem potential gang areas. By using this system, the Sheriff's Office can plot a gang members on a statewide map to show where a concentration of gang members may reside.

## **Somerset County Jail**

The Somerset County Jail is a crucial part of the Sheriff's Office fight against gangs. Through intelligence received in the jail, the Sheriff's Office can identify the most recent trends, tattoos and graffiti used by gang members enabling law enforcement to utilize this information in the fight against gangs.

### **Tips**

- Educate yourself about gangs and drugs.
- Know who your children are associating with.
- Know your child's whereabouts.
- Involve your child with sports and school or community functions.
- Explain the dangers of gang involvement.
- Contact local authorities if you think there is a gang presence in your neighborhood.
- Contact local authorities if there is graffiti in your neighborhood.
