On March 26, 2008 the Somerset County Sheriff's Office hosted K-9 re-certifications for approximately twenty five K-9 teams from all throughout New Jersey and New York. The narcotic detection and explosive detection re-certifications took place at the Hillsborough Fire Academy and was overseen by K-9 trainers from the Union Co. Sheriff's Office. "I would like to thank Union County Sheriff Ralph Froehlich for providing his K-9 instructors to certify the K-9 teams over a 2 day period," said Sheriff Frank Provenzano.
